

include/neural\_networks  
/Network.h

```
graph TD; A["include/neural_networks/Network.h"] --> B["forward_list"]; A --> C["LayerChain.h"]
```

The diagram illustrates a C++ header file inclusion. A top box labeled 'include/neural\_networks/Network.h' has two blue arrows pointing downwards to two separate boxes below it. The left box is labeled 'forward\_list' and the right box is labeled 'LayerChain.h'. This represents the Network.h header file including both the forward\_list header and the LayerChain.h header file.

forward\_list

LayerChain.h
