

```
BC::tensors::exprs  
::optimizer_default< T >
```

A diagram showing a blue arrow pointing upwards from the bottom box to the top box, indicating inheritance or specialization.

```
BC::tensors::exprs  
::optimizer< T, std  
::enable_if_t< expression  
_traits< T >::is_array &&!expression  
_traits< T >::is_temporary > >
```
